

23rd Annual Manchester Antique & Classic Car Show
June 13 & 14, 2009
Dorr Farm, Manchester Center Vermont

Plans for the 23rd Annual Manchester Antique & Classic Car Show are well underway. As the Car Show Committee works to develop Manchester's signature event, community and business support is essential. The car show is a great "kick-off" to the summer season. The estimated economic impact is in the hundreds of thousands. We hope that you will participate in the show through business sponsorship. This year's featured class will celebrate Hudson as the domestic featured class and Jaguar as the imported feature class.

Details of the sponsorship request are below. Sponsorship support is used to promote and advertise the show and the Manchester & the Mountains Region.

Please contact us if you have any specific questions. Thank you for your consideration.
